The idea of 'skin deep' is a commonplace, but some thinkers have sought to overturn this view of the superficial, and place significance, complexity and profundity in the surface. Twenty-four artists present new work that engages with meaning captured in the surface. Artists exhibiting: Ana Efe, Cally Trench, Claire Deniau, Heidi Locher, Ingrid Jensen, Jane Grisewood, Joanna Hill, John McDowall, Judy Goldhill, Karen Blake, Katalin Hausel, Katherine Melancon, Louise Atkinson, Lilian Igbinosun, Madi Acharya-Baskerville, Manya Doñaque, Marco Cali, Mary Yacoob, Philip Lee, Yaron Lapid, Sharon Kivland, Sophie Loss, Steve Perfect, Tim Riley + Georgia Elizey
